

## RESOLUTION 11-22

**RESOLUTION** establishing a Complete Streets Policy, Guiding Principles and Project Implementation Criteria.

**WHEREAS**, the Space Coast Transportation Planning Organization (TPO) is the designated and constituted body responsible for the urban transportation planning and programming process for the Palm Bay-Melbourne-Titusville Urbanized Area; and

**WHEREAS**, the TPO desires to promote, maintain and enhance the livability and sustainability of communities within Brevard County; and

**WHEREAS**, safe, convenient, connected roadways that accommodate the mobility needs of multiple users and modes that effectively balance through movement and local access are critical to livability; and

**WHEREAS**, Complete Streets principles encourage planning, designing, constructing, operating and maintaining transportation systems that promote safe and convenient travel for people of all ages and abilities by a variety of transportation modes; and

**WHEREAS**, streets should be designed to compliment and support the adjoining land uses and community character so the resulting street environment is attractive and of appropriate scale; and

**WHEREAS**, streets that integrate and invite multiple mobility choices contribute to the public life of a community, support sustainable economic development, facilitate the efficient movement of people and goods, improve public health, advance environmental stewardship, reduce fuel consumption and maximize the use of roadway infrastructure.

**NOW, THEREFORE BE IT RESOLVED** by the Space Coast Transportation Planning Organization that:

1. The Space Coast Transportation Planning Organization adopts the "Complete Streets Guiding Principles" outlined on Attachment A as a means to facilitate the development of Complete Streets in Brevard County.

2. The Space Coast Transportation Planning Organization encourages the local governments within Brevard County to adopt Complete Streets Policies and institutionalize Complete Streets principles as part of their respective government procedures.

3. The Space Coast Transportation Planning Organization encourages the Florida Department of Transportation to coordinate and cooperate with local governments implementing Complete Streets projects on the State Highway System.

4. The Space Coast Transportation Planning Organization desires to encourage and assist with the implementation of Complete Street projects and hereby adopts the Complete Streets Project Guidelines in Attachment B as the process by which financial assistance may be made available to local governments.

**DONE, ORDERED AND ADOPTED THIS 12<sup>TH</sup> DAY OF MAY, 2011.**
